# Vacation Story

## Chapter 1 by Gabrielemp

My name is Jason. I am writing this story for future children that will go on family vacations. I do not want them to suffer as I did. So if you are reading this story, you now know that your vacation wasn't worse than mine. Mine was the most embarrassing of vacations. I hope you don't do the same mistakes as I did.

It all started when my perfectionist dad screamed that we were going on a family vacation. I completely freaked out. All of my friends had told me that a family was the worst thing that could happen to a teenager. I don't know how I will survive this.

## Chapter 2 by Gabrielemp

My dad told me that we will go to Greece. Why would I want to go to Greece?!?!?!?! My dad said that there were lots of monument and that people in there used to believe in many gods. Another thing I don't care about. After I packed all of my things, I went straight to the car, I wanted this vacation to end as fast as possible. I just know that my sister will bug all the way.

## Chapter 3 by Gabrielemp

We entered the car! Wohoooooo! The best vacations of my life....not. It was all very boring I did not want to go to that place called Greece, it is very boring, I am not amused by all the statues. As I arrive to the statue of Zeus something in me clicks, I felt electricity surround my body. I looked at the statue and it came to life it was Zeus in person! His power was all I felt. "Hello Jason, you know who I am and I know who you are." Said Zeus. "I have something very important to tell you."
